

Instructions for Skeet Range Tokens (\$4.00 each)

High House

Token House

Low House

1. Open the low house window, you will see a yellow extension cord. Plug it into the cord hanging just below the coin-op box. On the south side of the low house is a switch to turn on the power for the skeet thrower.

Low House Window

Token house Coin-Op

High House Window

2. High House (East side) there is a bar with a loop on the end to reach up to a pin on the window. Carefully open the high house window (PLEASE DO NOT LET IT DROP) The power switch for the high house is on the east side.
3. At the present time tokens can be purchased on Sundays during open shooting. At the Outdoorsman, Mel's Tire and Tom Outland (Rocky Mtn Cartridge). Questions or problems during the week contact Tom Outland.
4. Make sure you are ready to begin shooting before you put in your tokens. Each token is worth 27 birds. (Sometimes you may need to twist the ends of the cords to make good contact)
5. There are 2 toggle switches on the bottom of the coin-op. DO NOT TOUCH EITHER OF THESE AS IT COULD CLEAR THE BIRDS OUT PLUS THE OTHER SHOOTERS THAT MAY HAVE PUT IN TOKENS." **NO REFUNDS**"
6. When you are done: shut the power off, Hang the cord back in the low house, Close the window, Carefully close the window on the high house , Shut the power off and lay the bar down on the east side of the high house.

Thank You, Have fun and be Careful
